

## **"Only You"**

Oh Merciful Devi,  
grant me the boon  
that I may see  
Your Divine Hand  
in all things  
in all beings  
in all experiences,  
and that I may recognize You  
whenever You come to me  
wearing every face,  
wearing all faces.  
Let me see that  
it is You  
Oh, Mother.  
It is always  
only You!
